## Terms and Conditions of the use of Bouncy Castles, Inflatables and Trampolines or similar equipment by the Hirer of Morton War Memorial Institute.

### Terms:

Equipment: Bouncy castle or similar inflatable equipment and/or Trampoline  
Event: The Event for which the Hirer has booked the hall and referenced in the separate booking form.  
Hirer: The individual(s) or company booking the Event referenced above.  
Hall: Any room or space within Morton War Memorial Institute in which the Equipment is located at the Event

If the Equipment is hired with a supervisor provided by the supplier to oversee its use we must see evidence of the supplier having Public Liability Insurance before the Event. If however the Equipment is hired in, and its use is to be controlled by the Hirer, then the following conditions must apply and agreed to:

1. The Equipment must only be used within the Hall
2. The Hirer must be over the age of twenty one and take full responsibility for the supervision and safety of all users of the Equipment at all times
3. Only children of similar age and size must use The Equipment at any one time
4. Over-crowding on the Equipment must not be permitted and the manufacturer's recommendation for numbers must not be exceeded
5. Soft matting must be positioned to cover any hard surface at the open front and/or sides
6. Users of the Equipment must remove any potentially dangerous objects such as jewellery or shoes
7. The Equipment must be moored securely to the floor at each anchor point
8. A trampoline must be fitted with safety side netting to prevent falls and must not be used by more than one person at a time
9. No food or drink is to be allowed on the equipment
10. No person over the age of sixteen shall be permitted on the equipment unless such equipment bears the prefix "adult". Where "adult" use is permitted, adults and children under the age of sixteen are not permitted to participate on the same equipment at the same time
11. No person shall be permitted to use The Equipment whilst under the influence of alcohol, drugs &/or any other intoxicating substance
12. Any inflatable must have adequate heavy sand-bags attached to the anchor points to secure it
13. RCDs (power breakers) must always be used and installed at the source and not attached to the blower or extension reel socket
14. The trustees of Morton War Memorial Institute take no responsibility for the safe installation of the Equipment or its use at the Event.

I/We have agree to the terms above and understand that I/we has/have full and total responsibility for the safe installation and use of the Equipment.
